fred! Welcome to Dreamhoroscope World!

 fred's horoscope for Thursday Oct 11, 2012

Pisces
Oct 11, 2012

Don't take things personally today, especially if an objective point of view is needed to proceed. It's difficult to turn off your emotions, of course, but if you can get beyond them, you will be in the best place you can be for the day. Calm down, and take a deep breath if you feel yourself getting upset!

Hi Crystal Ha!!! Here is your Daily Scorpio horoscope for Thursday Oct 11, 2012.

Scorpio
Oct 11, 2012

Make sure you know who's in charge of the situation at hand. You could be talking to the wrong people, which means nothing will change no matter how persuasive you are. Ask around, and you may find out the real boss here. Once you do, use that information to get heard once and for all.

Your Scorpio horoscope for Oct 10, 2012

More work will be required to do something that shouldn't need so much effort, but that's just the way it is. You will need to push yourself to succeed. At the end of the day, you will still feel happy to have gotten this done, even if it was hard, so go ahead and keep trucking!

- **Yes**, it was really so!
- **No**, it wasn't true.
